Administrative Organizational Chart

The University of Illinois at Urbana-Champaign is a large and complex institution. While our missions of learning, discovery and engagement are straightforward, how we organize ourselves to deliver them can sometimes be confusing. We hope this organizational chart helps to illustrate how our administration operates and how upper management allocates the roles and responsibilities of a very diverse university.
The chart depicts the administrative organizational structure of the University of Illinois at Urbana-Champaign. It begins with the "Vice President and Chancellor *" role, which also serves as the vice president of the University of Illinois system. Further reporting positions include Associate Chancellor for Public Affairs, Director, Division of Intercollegiate Athletics, Executive Director, Facilities and Services, Executive Director, Public Safety, Senior Associate Chancellor for Administration and Operations, and Senior Associate Chancellor for Human Resources.
