Cheryl Bicknell, *Ex Officio*  
Dennis Craig, *Ex Officio*  
Brent Lewis, *Ex Officio*  
Mohamed Sultan, *Ex Officio*

Dear Colleagues:

I would like to invite you to serve as a member on the Chancellor's Design Advisory Committee (CDAC) for the 2024-25 academic year. Jeff Angiel and Francisco J. Rodríguez-Suárez will serve as co-chairs of this committee.

The charge of the committee is to:

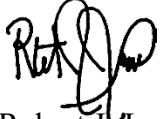

1. Establish appropriate general guidance for the orderly development and presentation of the campus.
2. Provide input to proponents/designers of proposed projects contributing to development of the campus, including written input for site evaluation committees.
3. Provide reaction to specific design/development solutions proposed by contracted professionals and in-house staff.

In addition to the foregoing charge, the CDAC will be asked to provide comments relative to design concepts and art in public spaces. This will include observations on building locations and designs, site lines, location of parking lots, sculptures, landscape design, and lighting. This effort would identify positive and successful aspects of the campus design as well as past decisions. Any observations of contemplation for historical sites should be sent to the Chancellor's Capital Review Committee (CCRC) for further review.

The Capital Programs Project Planning Department within Facilities & Services will provide staff support for the committee's work. We look forward to meeting with you and will contact you soon to schedule monthly meetings for the academic year. Thank you once again for contributing to the development of the campus.

Sincerely,

Robert J. Jones  
Chancellor
